**FREE** mini-webinar  
10:00 - 10:45 A.M. PST

**This webinar addresses what employers should know about OSHA for 2012, including planned regulatory changes, the most frequently cited OSHA standards, and more. With changes to how fines and serious citations are handled, increases in the number of OSHA inspections, and specific changes for a number of industries -- this is a session you don't want to miss!**

### Topics Include:

- Overview of OSHA Updates for 2012, highlighting specific industry changes
- AB 2774: where we are today
- Anticipating increased targeted inspections
- Summary of best practices for 'managing' OSHA regulations in 2012
- Q&A

For any questions relating to the topics being presented, Heffernan has an HR Consulting Division that would be happy to assist you. Contact Lisa Banducci (lisab@heffins.com)
