

Spring 2006 Newsletter

United Christian Insurance Group

Heffernan Insurance Brokers is committed to providing quality, catastrophic, comprehensive and affordable property, liability and workers' compensation insurance protection to UCC and DOC churches nationally; along with providing excellent customer care. For the past 20 years, Heffernan has created and provided church insurance programs for many denominations. Our church unit is passionate about helping churches meet their mission and maintaining their budget for ministry.

We would like to take a minute to introduce ourselves and welcome you into our UCIG (United Christian Insurance Group) Program offering Property, Liability, and Workers' Compensation coverage. We are a brother and sister team with a dedicated unit to assist churches.

We have been in the insurance industry for 27 years and are following in our father's footsteps, who was instrumental in starting the UCCIB program about 25 years ago.

Our families are important to us. We are sure you recognize how your fellow employees, volunteers, and members become your family and it is no different in our office. Our church unit has a staff of 15 people, all trained and skilled in church exposures, who understand your mission.

We currently insure thousands of churches nationwide for several denominations. It gives us great satisfaction to know we are providing exemplary coverage and limits for our churches who dedicate their time and efforts to what they do best – serve their community in Jesus' name.

We are excited to have you as part of our growing and emerging program! Please contact us if you have any questions or if we can assist you in any way.

Sincerely,

Brian Dantzig, Vice President
Kerry Dantzig, Vice President

Throughout this year, we will be updating our database with current and correct information. If you receive any correspondence from us that includes incorrect data, please let us know, so we can fix the error. You can email, fax, or mail corrections to us and we will make the change.

In the future, if you would like to receive newsletters by email, please notify us with a contact name and email address. If there are multiple persons you would like to also receive the email, just let us know. Periodically, we will be sending newsletters with safety tips, loss control and risk management topics, driver and fleet safety items, and helpful hints. We will also send out questionnaires for updating our database. Please complete these and return them to us.

If you are not in California, your local broker is also a source for compiling data and answering questions. We are working closely with your broker and encourage you to keep in touch.

Again, thank you for participating in UCIG. Please visit the UCIG web site at www.unitedchristianinsgroup.com for FREE risk management materials.
